Mission 007: Micro-Writing

The enclosed photograph was taken by a tourist in a city in 1994. 8 words of a secret message have been added to the photograph in tiny “Micro-Writing”.

Your mission, Bible detective, is to

1. Find out which city it is and
2. Look at the photograph carefully, (perhaps with a magnifying glass) and complete the message.

Get an adult to help you if you wish.

When you have completed three new missions you can be promoted to the next rank.

Good luck!

Parents and Carers

Bible Detective Missions are designed for children aged 8 to 11, usually requiring the ability to read. Please help your child to complete the mission and follow up the lessons learned with activities of your choice. Once they have completed the mission, cut out the mission card for them to take. Three new mission cards can be handed in for a promotion!
