Mission 105: OT

The Bible is one big book of books. There are 66 books in the Bible, 39 in the Old Testament (stories about God) and 27 in the New Testament (stories about Jesus).

The enclosed Bible Detective information sheet is a list of all of the books in the Old Testament.

Your mission, Bible Detective, is to cut them out and put them in the order they appear in the Bible. Try looking in a Bible or get an adult to help you if you wish.

When you have completed three new missions you can be promoted to the next rank.

Good luck!

Parents and Carers

Bible Detective Missions are designed for children aged 8 to 11, usually requiring the ability to read. Please help your child to complete the mission and follow up the lessons learned with activities of your choice. Once they have completed the mission, cut out the mission card for them to take. Three new mission cards can be handed in for a promotion!
