## **Mission 301: Who Is it?**

Below are three clues about a person mentioned just once in the Bible.

Your mission, Bible Detective, is to use these clues to find out who it is. You may have to use skills you have learned such as looking up verses in the Bible and asking questions to help you find the answer. Get an adult to help you if you wish.

When you have completed three new missions you can be promoted to the next rank.

Good luck!

Hint: If you are stuck, try looking in Luke chapter 2.

### **Parents and Carers**

Bible Detective Missions are designed for children aged 8 to 11, usually requiring the ability to read. Please help your child to complete the mission and follow up the lessons learned with activities of your choice. Once they have completed the mission, cut out the mission card for them to take. Three new mission cards can be handed in for a promotion!
